

# KENNARD HIGH-SCHOOL WEEKLY CALENDAR OF EVENTS

February 8-12, 2010

Dear faculty and staff;

This week will include an early release day on Friday, February 12, 2010. Students will dismiss at 12:46. Faculty and staff will meet at 1:00 p.m. in Mrs. Lenderman's room for Promethean module training and *Read Naturally* training. Training will conclude around 3 p.m. on Friday.

If you are not already in TAKS mode, now is the time to move full speed ahead with TAKS preparations. We will begin intense interventions for grades 7-11 in the four core areas this week. I have made intervention plans that should be the least invasive to the regular instructional setting. By Tuesday, February 9, 2010 writing and math interventions will take place two days a week during students regularly scheduled lab and TAKS time. I will meet with individual content and special education teachers throughout the day on Monday to discuss TAKS preparations.

## **Kudos:**

I would like to thank Coach Deckard and Mrs. Bobbitt for the awesome job they did on Friday, February 5, 2010 to keep the instructional day running smooth as we dealt with unforeseen staff shortages.

Congratulations to the coaching staff, support staff and our athletic teams for a very successful season. I encourage everyone to continue to support the teams as we continue to advance to the next round of competition.

Our teachers and students of the week ending February 5, 2010 are: Coach Craig Deckard, Mrs. Bobbitt, J. T. Goyens, and Ashlee Adams.

Still expecting great and really BIG things at KHS!

Sharonda
